

## **Intra-Articular Injection Pre-op Instructions**

Surgery Instruction Sheet for Dr. Chad Millet  
You are scheduled for surgery at Crescent City Surgery Centre.  
3017 Galleria Blvd, Metairie, LA 70001

The procedure will be on \_\_\_\_\_.

1. Our Pre-Certification Department will contact your insurance company, worker's comp, or attorney to be sure that your surgery is approved and if there are any deposits or deductible that need to be paid prior to surgery. It is the patient's responsibility to call the pre-cert department one week prior to surgery to verify approval. Contact information is **(504) 897-6351 Ext. 116 or Ext 114.**
- 2.
3. Call CCSC at **(504) 830-2500** to schedule a pre-op appointment. Pre-op appointments must be done 2 weeks **PRIOR** to your surgery. Most likely pre-op will be done telephonically but it is to the discretion of the anesthesiologist.
4. If you take medications daily, bring a detailed list or actual pill bottles to the pre-op interview. They will instruct you on which medication to take on the morning of surgery.
5. **Crescent City Scheduling Department** will call you the morning before your surgery to tell you what time to arrive. IF you have not heard from them, call her extension at **(504) 830-2500.** (If you are scheduled for a Monday surgery, you will receive a phone call the Friday before.)
6. Do not eat or drink anything after midnight unless instructed by anesthesia.
7. You must have someone to drive you home from the hospital after surgery.
8. Follow up with Dr. Millet for any concerns or questions as needed after your procedure.
